10) Vendor Invoice Management:

Dear Vendors,

Indian Oil has been keeping its systems updated with latest developments and newest technologies to efficiently add to the delight of our partner vendors. Many digitalization steps have been taken in the past and have been successfully implemented with the continuous support of partners.

We are introducing Vendor Invoice Management system for centralized processing of invoices for supply of goods and services with an intent to further expedite the payment process. A centralized query management system including self-help is also being introduced for convenience of the vendors on tracking details related to payments.

A. Invoice Management System

With effect from **17.05.2023**, **original copy of invoice** raised on **this office** against PO shall be submitted in the following manner: -

1. **Digitally signed original invoice** can be submitted by registering into vendor portal (E-Vidit portal) in which case no hard copy is required to be sent. Vendors are encouraged to use vendor portal for expeditious settlement of their invoice.

The link to the vendor portal is

<https://apps.indianoil.in/vim>

Help Manual of portal for use by vendors is attached herewith.

2. **Alternatively**, originally signed invoice in physical form can be sent to the following address: -

Indian Oil Corporation Limited
IBM Tower, 2nd Floor,
A 26, Rani Ramgarh Road,
Block A, Industrial Area,
Sector 62, NOIDA,
Uttar Pradesh.

Only Original Invoice along with supporting invoices for any reimbursement like freight & inspection bills should be sent to the above address. The documents like **Inspection Release Note, Test Certificate, Bank Guarantee** etc. in original should continue to be submitted to the **IOCL, Guwahati refinery**.

To achieve the full benefit of the newly introduced system, you are requested to note the following changes in Invoicing and submission of the same: -

1. Invoice Requirement - Physical

Digitally signed invoice uploaded through Vendor Portal is preferred. (<https://apps.indianoil.in/vim>)

However, where vendor submits the physical copy of the invoice, following points may be ensured: -

- Ø It should not be handwritten invoice.
- Ø It should be in English language only.
- Ø It should not be photocopy.
- Ø It should not be carbon copy.
- Ø It should not be Dot Matrix Print copy.
- Ø Invoice should not be damaged or tampered and should always be preserved in original state.
- Ø Writing of comments, remarks etc. on the Invoice may be avoided.

Needless to mention, invoice must be in the name of Indian Oil Corporation Limited Guwahati Refinery.

2. Invoice Requirement - Content

- - Mention PO Number on Invoice where invoice is raised against SAP Order
 - Invoice should be in line with Order conditions
 - Invoice should comply with applicable GST provisions including HSN/SAC Code
 - Ensure that the address in Invoice is correctly mentioned as per Order including Company Code & Plant Code available on Order
 - In case where Vendor knows its SAP Vendor Code with Indian Oil, the same should also be captured on the body of Invoice

3. Price Reduction on account of Delay

- - Raise invoice after effecting Price Reduction on account of Delay in Invoice, wherever applicable.

- In case where request for time extension has been submitted but not approved by EIC, invoice still should be raised by reduced amount.
- Subsequently, Vendor can issue Debit Note when time extension is granted after raising of invoice.
- This process will eliminate the requirement of credit note for GST accounting and consequential delay in processing payment of the entire amount due to complication of GST input credit.

4. **Other Requirements**

- Ensure that Bank Guarantee, wherever applicable, has been submitted at **IOCL, Guwahati refinery** as per required format
- Ensure submission of all the documents at **IOCL, Guwahati refinery** in line with conditions of the contract

Email	VIMHelpdesk@indianoil.in
Chatbot	Indian Oil (gupshup.io)
Helpdesk Phone	+91 120 6730555
