33.	<p>RISK PURCHASE CLAUSE: - If the successful tenderer fails to supply material within the stipulated delivery date or material supplied other than specification specified in our Bid, BSF reserves the right to terminate contract for that items, forfeiture of security deposit at the cost of the seller. Any extra cost incurred in the procurement of the material from alternative source will be recovered from the Security Deposit / Bank Guarantee and Pending Bills of existing firm and if the value of the materials under risk purchase exceeds the amount of Security Deposit and/ or Bank Guarantee and Pending Bills the same may be recovered if necessary by due legal process</p>
34.	<p>Force Majeure Clause :-A Force Majeure (FM) means extraordinary events or circumstance beyond human control such as an event described as an act of God (like a natural calamity) or events such as a war, strike, riots, crimes (but not including negligence or wrong-doing, predictable/seasonal rain and any other events specifically excluded in the clause). An FM clause in the contract frees both parties from contractual liability or obligation when prevented by such events from fulfilling their obligations under the contract. An FM clause does not excuse a party's non-performance entirely, but only suspends it for the duration of the FM. The firm has to give notice of FM as soon as it occurs and it cannot be claimed ex-post facto. There may be a FM situation affecting the purchase organization only. In such a situation, the purchase organization is to communicate with the supplier along similar lines as above for further necessary action. If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of FM for a period exceeding 90 (ninety) days, either party may at its option terminate the contract without any financial repercussion on either side. Notwithstanding the punitive provisions contained in the contract for delay or breach of contract, the supplier would not be liable for imposition of any such sanction so long as the delay and/ or failure of the supplier in fulfilling its obligations under the contract is the result of an event covered in the FM clause.</p>
35.	<p>CVC Guidelines :- The Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender (CVC-Guidelines issued vide Circular No.03/01/12(12-02-6 CTE/SPL(1)-2 /167030 dated 13 Jan 2012 refers). CVC guidelines should be followed meticulously and a certificate in this regard will be furnished by the bidder.</p>

36. a) The Seller shall not assign the Contract in whole or part without obtaining the prior written consent of buyer.

b) The Seller shall not sub-contract the Contract in whole or part to any entity without obtaining the prior written consent of buyer.

c) The Seller shall, notwithstanding the consent and assignment/sub-contract, remain jointly and severally liable and responsible to buyer together with the assignee/sub-contractor, for and in respect of the due performance of the Contract and the Sellers obligations there under.

37. Without prejudice to Buyer's right to price adjustment by way of discount or any other right or remedy available to Buyer, Buyer may terminate the Contract or any part thereof by a written notice to the Seller, if :
