1. **The Following special Term Terms and Conditions (STC) will be applicable for the Category “Electric Traction Lift”**

This document outlines the Special Terms and Conditions (STC) governing the Contract between the Buyer and the Seller. It delineates the scope of work between Buyer and Seller. The buyer may define the requirements in ATC whenever required.

ATC supersedes product specific STC which shall supersede GTC whenever there are any conflicting provisions.

1. Buyer Shall furnish all relevant building information, including detailed drawings approved by the Competent Authority, to facilitate the preparation of lift drawings.
2. Based on the buyer’s provided building information and drawings, seller shall propose the lift drawing to the buyer for approval.
3. The buyer will review and approve lift drawing, ensuring with product specifications.
4. Based on the buyer's approval of the lift drawing and alignment with product specifications, the seller will proceed with manufacturing and preparing the lift components. Concurrently, the buyer will arrange suitable storage facilities on-site to receive and store the delivered parts and equipment.
5. The buyer shall inform the seller about the completion of preparatory work on-site, such as ensuring the lift well, pit, and machine room are constructed and weather-tight, and any necessary scaffolding or fencing is in place, wherever required. The seller then verifies site conditions to ensure readiness for the delivery and installation of lift parts.
6. After the confirmation from the buyer regarding the site completion the seller would verify the site conditions.
7. Upon confirming site readiness, the seller shall proceed with the delivery of lift parts and equipment to the designated location on-site, as coordinated with the buyer.
8. The buyer shall ensure that the site meets necessary safety and regulatory requirements for lift installation before applying for permission of lift erection and the necessary permit from the regularity authority is available with the buyer.
9. Upon successful review and verification by regulatory authorities, the buyer obtains the lift erection license necessary for the commencement of installation activities.
10. After receiving the lift erection permission, the seller shall initiate the lift installation process as per the buyer’s approval.
11. The buyer shall submit the completed application for lift running license to the competent regulatory body as applicable and seller shall necessary documents for getting the lift running license whenever applicable.
12. The buyer shall define the payment terms in ATC.
13. Responsibility of worker’s safety at installation site during lift erection lies with the Seller.

11. Buyer Added Bid Specific ATC

Buyer Added text based ATC clauses

1. Bidders are advised to quote prices as per technical specification. However detailed breakup of quoted prices should be provided in **Price Format - A** uploaded in the prescribed place (Financial Document Required) on online GeM portal. The prices quoted in the prescribed field on GeM portal will be considered for ranking purpose. Total price quoted in Price Format - A must match with the price quoted in GeM portal. **Bidders are strictly advised not to include any price bid or price-related information in the Technical Bid. The prescribed Price formats A, B, C, D, and E must be submitted only along with the Financial Bid. If, at the stage of bidding, the provision for uploading the above-mentioned formats is not available or not enabled, bidders must refrain from uploading these documents with the Technical Bid. The Institute shall obtain such documents from the L1 bidder during the finalisation of the contract. Any disclosure of price components in the Technical Bid will result in summary rejection of the bid, and the concerned bidder will be disqualified from further participation in the bidding process.**

2. The Bidders are advised to quote price of Spare parts, Consumables in the **attached format "B" and "C"** accordingly and uploaded the same in the prescribed place (Financial Document Required) on online GeM portal. The equipment should be supported with spares for a minimum period of 10 years after successful installation and commissioning." All the spares and consumables required for the equipment should be made available through GeM throughout the agreed supporting period".

3. The three years warranty sought for is OEM/bidder free warranty without any additional cost towards extended warranty to fulfil the tender condition. The charges, if any, claimed by the bidder towards warranty in this regard and included in the product cost in Price **Format -A** should be mentioned in the price **format D** also, and uploaded the same in the prescribed place (Financial Document Required). This warranty charges shall not be considered for calculating actual CAMC value to be payable after warranty period. Where the total cost does not include such warranty charges, the bidder shall submit a declaration- "Certify that the Equipment/accessories quoted in the bid is having OEM/bidder free warranty of three years and the total cost quoted in the bid does not include any warranty charges to fulfil the tender condition of three year warranty". This declaration shall be furnished along with the **Technical bid in format H**. False declaration may lead to rejection of bid. In the case of agents quoting on behalf of their foreign principal, proforma invoice from the OEM (Foreign principal company) indicating the nature of after sale service including warranty condition and commission payable to the Indian agent shall be furnished along with the **price bid**.

4. As per the Institutes general policy, the maximum CAMC charges after warranty period will be 5% of the cost of the equipment. However the bidders can quote CAMC charges in the range of 3 to 5 % of the cost of equipment, depending on the nature of equipment to be maintained.

5. The CAMC charges shall be quoted in percentage rate in GeM bid and escalation in CAMC charges shall be allowed at maximum 5% after every three years of CAMC.

6. The actual CAMC value to be payable after warranty period shall be separately worked out based on the "Cost of the equipment for CAMC calculation" and shall be furnished in "**Format -E**" and uploaded the same in the prescribed place (Financial Document Required). The year wise rate percentage of CAMC quoted in the bid for L1 evaluation should be used for calculating the actual CAMC value.

The cost of the equipment for CAMC calculation shall be mandatorily furnished in **format D**.

8. The warranty and CAMC conditions specified above shall also be applicable to any third-party items supplied. The successful bidder shall furnish the agreement executed with such third parties whenever called for. The genuineness of the prices quoted for the equipment and accessories is of utmost importance, and these prices shall not include any additional or hidden costs. The Institute requires a **Comprehensive Annual Maintenance Contract (CAMC) for seven (7) years**, following the completion of the **three (3) years warranty period**. The warranty period shall commence only after the successful testing and commissioning of the system. A declaration to this effect shall be furnished along with the technical bid, in **Format H**.

9. The successful bidder shall enter into CAMC 3 (three) months prior to the completion of warranty period

. The CAMC will commence after the date of expiry of warranty period from the date specified in the work order and as per the terms and conditions issued in this regard, which will be treated as the first year of CAMC. This tender will form part of the CAMC work order.

10. **Qualification criteria:** The bidder must be a manufacturer or their authorized agents having a place of business in any state of India are eligible to participate in this bid. The bidders should submit "Manufacturer's Authorization Form" for each items quoted and shall be submitted along with technical bid, as per the format enclosed in the bid document (**Format "F"**). Technical Bid	Format F, G, H and I
Price bid	Format A, B, C, D and E

Before uploading the formats in the designated place, kindly ensure that Clause No.1 of the ATC has been read and complied with.

17. Penalty clause:

1. Delay in Delivery:

If the supplier fails to deliver or install/commission any or all of the goods or fails to perform the services within the time frame(s) incorporated in the Purchase Order, the Purchaser shall, without prejudice to other rights and remedies available to the Purchaser under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to 0.5% per week of delay or part thereof on delayed supply of goods, installation, commissioning and/or services until actual delivery or performance subject to a maximum of 10% of the contract price. Once the maximum is reached Purchaser may consider termination of the contract .

If any delay by the supplier in maintaining its contractual obligations towards delivery of goods and performance of services shall render the supplier liable to any or all of the following sanctions:

- i. Imposition of liquidated damages,
- ii. Forfeiture of its Performance Security and
- iii. Termination of the Contract for default

2. Performance (during Warranty period)

Supplier should ensure uninterrupted service delivery of the equipment or product during the warranty period. In this regard following conditions also may be noted:

- I. In case of failure of equipment or its components, breakdown call has to be attended within 48 hours of intimation.
- II. The defect should be rectified within two days after the call is attended, failing which replacement or standby equipment should be provided for uninterrupted services.
- IV. In case of non-adherence to clause (a) or (b) above, downtime penalty will be realised a sum equivalent either the repairing charges met by the Institute to set right the equipment or 0.5 percent per day of cost of the equipment, whichever is higher, from the date of report of breakdown by way of deductions from SD/Performance Bank Guarantee.
- V. The time spent on the repair work will be added to the warranty period of the equipment.

3. Performance (during CMC/AMC period):

- i. Uptime means 95 percent of total days in a year during which the equipment remains functional.
- ii. Down time means any shortage in achieving the up-time
- iii. Down time penalty will be levied as per following terms and condition:
- iv. In the case of CMC, it shall be the responsibility of the service provider to set right the equipment and avoid down time. Down time penalty will be imposed @ 0.5 percent of contract value per day from the service provider.
- VI. In case auxiliary units/components attached to the main equipment undergoes failure and the main equipment provides uninterrupted services, down time penalty will be imposed @ 0.1 percent of contract value per day per auxiliary unit from the service provider.
